10th March, 2015

Dear Sir/ Ma'am,

It is our endeavor to ensure that you experience the spectacular style of living you rightfully deserve as a proud owner of Regal Gardens. Given below is an overview of the activities undertaken for your new home at **Regal Gardens.**

In order to create one of the finest luxury residences, we decided to associate with the best in the industry to create the strong foundations of Regal Gardens. You will be glad to know that DLF has appointed **M/s Simplex Infrastructure Ltd.** – one of the largest contractors in the country - as the general contractor for the project civil works and finishing. Additionally, we have appointed **M/s Parsons Brinckerhoff** as overall project management consultants, **M/s Paul Friedberg, USA** as Landscape Consultant and **Architect Hafeez Contractor** as Design Consultant.

The adoption of Mivan Formwork Technology will ensure a rapid progress in construction. An update on the tower specific progress is given below for your reference:

Tower A	17th floor slab cast rough finish initiated	Tower B	Terrace floor slab cast rough finishes in progress
Tower C	Terrace floor slab cast rough finishes in progress	Tower D	Terrace floor slab cast rough finishes in progress
Tower E	Terrace floor slab cast rough finishes in progress	Tower F	Terrace floor slab cast rough finishes in progress
Tower G	Terrace floor slab cast rough finishes in progress	Tower H	Terrace floor slab cast rough finishes in progress

DLF Gardencity is rapidly transforming into a modern and vibrant commune. **Possession of over 2300 homes has been handed over at New Town Heights,** breathing life into DLF Gardencity with over 800 people residing here.

Key developments in vicinity of the project:

- Fully operational HDFC Bank branch with ATM now operational near The Primus in Sector 81.
- NEEDS Supermart is now open at NTH Sector 90, DLF Gardencity.
- All arterial roads in and around DLF Gardencity have been fully completed, alongwith functional street lighting.
- Laying of services is in full progress - sewer and storm water line, water supply pipeline, electric sub-station, etc.
- Security has been provided along the sector roads 24x7 along with DLF Quick Response Team for NTHs owners/ residents.
- Pick and drop facilities for school going kids; running Cab services from NTHs to various Gurgaon Metro Station etc. two times a day at free of cost for working residents.
- 24X7 assistance for medical or any other emergencies.
- We have organized functions (major contribution by DLF) to celebrate important festivals like Navratras, Diwali and New Year celebrations at DLF Gardencity.

Should you wish to know more about Regal Gardens, you may kindly contact my colleague Ms. Monica Kalvani (mobile: 9999369991, email: kalvani-monica@dlf.in) , who would be glad to provide any assistance you may require.

We shall continue to stay in touch with you and periodically update you with new developments at Regal Gardens.

Warm Regards,

VALSALA
